## QUALISYS BDI Phrase Libraries and QUALISYS Product Data

### Content of the QUALISYS Phrase database

#### ExESS and QUALISYS Phrases

QUALISYS offers and supports the **BDI** standard phrase catalogue. This catalogue contains phrase recommendations that are checked by experts for now more than 10 years. It is supported by **Business Europe** and **Cefic** and is maintained in an international workgroup including scientists and representatives of authorities and industry. **QUALISYS** participates as a technical and linguistic consultant in this workgroup. In the latest version 10.2, it contains more than 8 000 phrases for safety data sheets according to EC Regulations 1907/2006 (REACH) and 1272/2008 (CLP = European GHS). In the second quarter of 2010, this catalogue will relaunch as LINK [www.euphrac.eu](http://www.euphrac.eu) EuPhraC in a new structure, covering also exposure scenarios for extended safety data sheets according to REACH. Only Qualisys guarantees the complete coverage of all **BDI** standard phrases of the most recent catalogue version. and delivers these in 30 languages.

### Content of the QUALISYS Product database

#### ExESS and QUALISYS data

#### QUALISYS regulatory data lists (identified by CAS, English name)

QUALISYS offers regulatory information. The data can be linked with **ExESS**. Depending on the type of data **ExESS** finds the data by CAS number, or regulatory information is generated during calculations /generation of SDS documents.

**Limit Values (OEL)** : Western Europe, Eastern Europe, U.S.+Canada (list available on request)

#### U.S. laws / Inventory lists :

**U.S. Federal Lists:** Clean Air Act (Hazardous Air Pollutants, Ozone Depleting Chemicals), Carcinogens (OSHA, IARC, NTP), CERCLA Hazardous Substances, Clean Water Act (Hazardous Substances, Priority Pollutants), Marine Pollutants, NFPA Hazardous Materials, NIOSH Guide to Chemical Hazards, RCRA (Ground Water List, Hazardous Wastes), SARA Title III (Extremely Hazardous Substances, Toxic Release Chemicals), TSCA (Chemical Substance Inventory, High Production Volume Chemicals).

\* **U.S. State Lists:** California Proposition 65, Delaware Air Quality Management List, Idaho Air Pollutants List, Maine Hazardous Air Pollutants List, Massachusetts Hazardous Substances, Michigan Critical Materials, Minnesota Hazardous Substances, New Jersey Right-To-Know Hazardous Substances and TCPA EHS List, New York List of Hazardous Substances, Pennsylvania Hazardous Substances, Washington Permissible Exposure Limits for Air Contaminants, West Virginia Toxic Air Pollutant List

**Transport data** for ADR/RID data, ADN, IMDG, IATA

**Transport data** for U.S. DOT and Canadian TDG

Using QUALISYS BDI standard phrases allows ExESS users to author SDS, labels and other chemical reports in one language. ExESS creates the authored document in multilingual versions using the relevant translated phrases.
