

## Poison Centres Notification

### Annex VIII to CLP Regulation

As of January 1st, 2021, Annex VIII amending Article 45 of CLP will be applicable for consumer use. To help you comply with this major regulatory update, we, at Lisam, offer a comprehensive solution to manage the Annex VIII requirements in the best possible way.

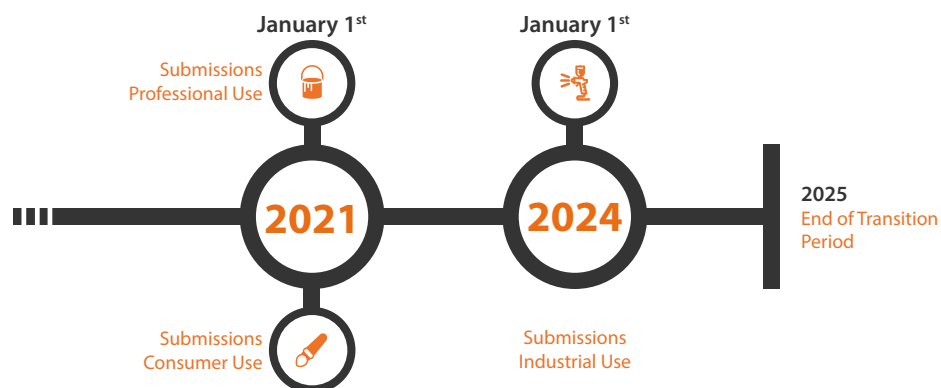

### Reminder:

What is expected from importers and downstream users operating in the EU:

- ✓ Creation of a Unique Formula Identifier (UFI) to be affixed to the label of hazardous mixtures and/or printed on the SDS.
- ✓ Submissions of hazardous mixtures dossiers in PCN format to the body appointed by each Member State.

### When am I expected to comply?

**We can help you to prepare for the first submission deadline!**

## Our Annex VIII Package Offer

### ExESS Offer:

- UFI Generator
- EuPCS List
- Dossiers in PCN format ready for Submission.

### PubliChem Offer:

- Automated Submission of Dossiers in PCN format to Appointed Bodies.

**Preorder the module to benefit from a 50% discount and a free group webinar! \***

\*this offer is valid until 01/01/2020!
